City of Manassas 150th Anniversary

Dean Park Improvements

Separate from the 150th celebrations, a ground-breaking ceremony for the planned improvements to the park was held before the anniversary activities got underway.

Jane “Jennie” Serepta Dean founded the Manassas Industrial School for Colored Youth. Jennie Dean Park is located on the site of the original school. Some of these improvements include:

- Natural Turf Rectangular Field with Overlaid Youth Rectangular Fields and Lighting
- Renovation to Skate Park
- Access to Skate Park
- Scoreboard
- Spectator Berm
- Maintenance Access
- Extended Parking
- Walking Trail
- Rough Grading for Future Phases

Entrance to the Industrial School's Carnegie Building site
